AROMATHERAPY

Support and empower your employees and colleagues with aroma-therapeutic gifts that promote health and overall well-being. Handmade in small batches, Arogya soy wax candles and soaps are infused with our premium essential oils.

MASSAGE, YOGA & MEDITATION

Our therapeutic services are designed to fit the needs of your busy employees. Guided meditation, massage therapy, and yoga classes are available in person or virtually via Zoom. Appointments can range from 30 minutes - 1 hour.

In-office massage and yoga services decrease stress while increasing employee productivity. A 10 to 15-minute chair massage has been clinically proven to improve an employee's health, happiness, and company loyalty. Our licensed massage therapists and yoga instructors bring years of experience to help individuals manage stress, perform optimally, and stay healthy amidst their busy daily schedules.

GUIDED TEA TASTINGS AND HEALTH LECTURES

Book a tea tasting event with our tea master, Wei Bertram. Learn to appreciate the health benefits of tea and how to make brewing tea a daily mindfulness practice. With Wei's expert advice, participants are guided on a journey through the ancient world of tea. These

tastings may also be used as a launch pad for other wellness discussions including healthy eating and stress reduction. Appropriate for any sized group to foster interpersonal skills, team development, and company loyalty.

TEA OF THE MONTH CLUB

Shipping or local delivery of a different tea each month. For 5 employees or more, receive free local delivery and a complementary tea lecture.

6 month or 12 month programs available.
